# Find Your Dream Job Free Work Sheet

By Anuj Sharma

---

I know whenever we try to take decision about career.we don't know what is better?

The same thing happens with every child. Our parents want, we do only what they want.

but after some time we realize nhi yr it will not work for me so we have to think different but again same thing happen when we fail after so many attempt. Again we think yr jo socha woh nhi hua so we feel that time total blank .we don't know what should we do next?

I think in life it happen with us many times. Hota hain kah kar our friends also gives us so many ideas and tips but reality is totally different because we still struggling with hidden pain.

I will not explain the rocket science formula, in this worksheet I will explain those simple methods that you can easily implement in your life :

Follow this simple steps and let see magic :

Step 1:

Write Down Top 10 Idea what do you want to do

Ideas No	Idea / Dream Career	Why do You Want to Do?
Idea #1		
Idea #2		
Idea #3		
Idea #4		
Idea #5		
Idea #6		
Idea #7		
Idea #8		
Idea #9		

Idea #10		
----------	--	--

When You write All your Dream career at one place, its easy to understand why do you want?

## Step #2 **Elimination Method**

Choose Top 3 ideas or Dream Career

Follow **Wh Formula**

Dream #1
